About The Centre

The Shires beautifully blends the town's rich heritage with modern conveniences, offering both traditional market charm and contemporary retail experiences.

The fact that it also houses the town's museum adds a wonderful historical touch, making it more than just a shopping centre—it's a place where locals and visitors alike can immerse themselves in Trowbridge's story.

And with such great transport links just a short walk away and ample parking at the centre, it is a convenient hub for people from surrounding areas like Bath and Bristol to visit often, it is a true hidden gem!
